Food Hygiene Ratings

Date of inspection
26 February 2020

Although our restaurant is closed for dining inside, we are now open for home delivery and takeaway service from 5:30 - 9:30 pm every evening except on Monday where we are closed (Open Bank Holiday Mondays).

We would like to assure all our customers that we will continue with our already high standard of hygiene, with frequent hand washing and sanitisation of surfaces.

We are following government guidelines closely and will update you if anything changes. In the meantime, we would appreciate your business and your continued patience with this family run business.

Best regards and stay safe, Ahads.
